

COULSON STREET

CHELSEA SW3

A beautifully presented grade II listed house with an award-winning south-facing garden. On the ground floor there is an elegant double reception room with high ceilings and beautiful period features and a well-fitted kitchen which opens directly on to the garden. Upstairs the principal bedroom suite offers great proportions and fitted cupboards that allow for plenty of storage whilst the rear addition contains a bright study/snug. The lower ground floor with its own street entrance and access to the garden would serve very well as a self-contained flat or provide 2 additional bedrooms and a bathroom.

Coulson Street runs parallel to the Kings Road, close to Duke of York's Square and is well located for the many shops and restaurants nearby, as well as the excellent transport links at Sloane Square.
